Dear Valued Client:

As always, we would like to take every opportunity to thank you for your patronage of our services. We value your business and recognize that we would not exist were it not for you.

Our company now has seven application-specific service divisions to meet all of your facility maintenance needs. We also would like to make you aware of our newly re-designed website which includes the **IRt™ News** page, where you can access recent press releases and industry news and events. To access our primary web site, just click on this link <http://www.stocktoninfrared.com>. The URL's for our various service divisions are listed below.

As always, we greatly appreciate any feedback you can provide and are available to address any questions, concerns or future needs. Please contact us via the information below if we can assist you in any way. Thank you again for your patronage of Stockton Infrared Thermographic Services, Inc.

Sincerely,

Cindy Hawks
